

Portable Cribs & Fitted Sheets

Specifications

Portable cribs are an approved safe sleep environment by the American Academy of Pediatrics. TDH wants to procure portable cribs that meet safety standards set forth by the American Society for Testing and Materials, the Consumer Product Safety Commission, and the Juvenile Products Manufacturers Association, as well as fitted sheets for the portable cribs. Portable cribs and sheets will be ordered on an as needed basis, multiple times per year.

Definitions:

- a. AAP means American Academy of Pediatrics.
- b. ABC's of Safe Sleep stands for Alone, Back, Crib.
- c. ASTM means American Society for Testing and Materials.
