Dear Ms. Reed:

This letter will serve as notification that WellBound of Memphis, LLC d/b/a Satellite WellBound of Memphis ("Provider") will be relocating its operations at 780 Truse Parkway, Memphis, Tennessee (the "Current Facility"), as a result of the expiration of its lease at this location effective as of August 31, 2024.

Provider has negotiated a new lease for space at 1333 Poplar Avenue, Memphis, Tennessee (the "Relocation Facility"), and will relocate its operations to this location on or about late February or early March 2025.

Accordingly, Provider hereby respectfully requests this agency's approval to temporarily place Provider's State License in an inactive status during its brief cessation of business operations and transfer its State License to the Relocation Facility. As soon as the opening date for the Relocation Facility is determined, Provider will immediately notify this agency of such opening date and submit any necessary paperwork. Should any unforeseen circumstances arise that may affect the relocation we will inform your office as soon as possible.

We look forward to hearing from you regarding the approval to transfer Provider's State License from the Current Facility to the Relocation Facility.
